## hello there

Welcome to The Soul of My Lens Wedding Photography. I'm so happy you're here! I appreciate you taking the time to review this guide and keep me in consideration when choosing your wedding photographer. I understand how overwhelming wedding planning can be. My goal is to make it as easy as possible for my clients! After taking a look through the guide, if you feel like we'd be a good fit, I would love to have a chat with you and hear more about your amazing wedding plan.

A little about me - I'm Zoltan, the photographer behind The Soul of My Lens Wedding Photography. I'm based in Eastbourne, East Sussex, but also love to travel! I have been specialising in wedding photography for 4 years and I love capturing love! I have been a photographer for 10 years and enjoyed exploring all genres of photography and then I found Wedding Photography. I have been in love with it ever since and am incredibly thankful to do what I do!

"EVERY TIME  
I SEE YOU,  
I FALL IN LOVE  
ALL OVER  
AGAIN."
